

SAFETY, HEALTH, ENVIRONMENT AND SECURITY POLICY STATEMENT

Merisol, through living its values, will conduct its business in a manner that strives for **ZERO HARM TO PEOPLE AND THE ENVIRONMENT.**

We are committed to:

- Integrate safety, health, security and the protection of the environment into all relevant business processes.
- Use a systems approach to manage risk and continually improve performance.
- Comply with legislation, regulations, and adopted requirements that apply to the Organization.
- Communicate openly with stakeholders about safety, health, security and environmental performance.
- Measure success by tracking progress on defined objectives and targets.
- Follow the Responsible Care® Guiding Principles.
